MR. SYDNEY A. TIBBETTS

As our class of '60 concludes its senior year, Mr. Sydney A. Tibbetts completes a brilliant teaching career of fifty-five years at Lick-Wilmerding. Mr. Tibbetts joined the faculty in 1905 and since then has been an eminent member of the school and an inspiration to his many students, including many of today's leaders in business and industry. In addition to teaching classes in qualitative and quantitative chemistry, geology, metallurgy, assaying, soil and water analysis, and photography, he has done extensive research in these fields, often driving thousands of miles to observe at first hand new methods and operations. He has been a consultant for numerous companies and last year was honored by the American Chemical Society. Among his many other interests, athletics have always held an important place: he was a track star at the University of California and has been an ardent supporter of all Lick-Wilmerding teams. A familiar figure at all school events, he is a friend of students, parents, and alumni. It is, therefore, with great respect that we, the class of 1960, dedicate this yearbook to Mr. Sydney A. Tibbetts, a devoted teacher and a truly remarkable man.

CLASS of 1960

The Class of 1960, the first to spend its four years at the new Ocean Avenue campus, has had an eventful and colorful history. Many of us remember the tense hours taking our entrance examinations at the old school, and, later, the first bewildering day at the new school as we registered, received our lockers, and, trembling, stared in awe at the gargantuan upperclassmen. As freshmen we laughed at the satirical skits of Moulthrop and Guittard, gasped at the sight of the thirty foot palm tree procured for the Hawaiian dance, and cheered the basketball team to victory in the first Bay Counties League tournament, which was held in our new gymnasium.

During our sophomore year the art department put on the first Prog show, and our football team won the league championship. In March the first Tiger Fair was held, and in May "Double Trouble," an original musical comedy by Mr. Rich and Mrs. Ungaretti, was successfully presented. For our class, however, the most exciting event occurred shortly before the play, when the class of '60 spirited away the small school axe, which was shown at the Field Day rally and returned to hiding only after a harrowing escape. It has since made several brief appearances at school functions and has been an exciting, if somewhat mysterious, part of our tradition.

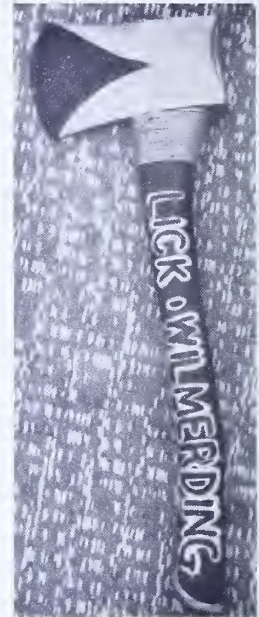

In our junior year the Varsity football team, for the first time since 1923, went undefeated for the season, giving Lick the B.C.L. championship for the second year in a row. There were many other activities, including "Say Hay," the school play, the second annual presentation of Prog, and the Tiger Fair. At the Field Day our class won the big school axe for competition in cleanup and intramural contests. The ballot system in class elections instituted by our class officers proved so successful that it was incorporated in the revision of the school constitution as a mandatory requirement for all class elections.

The senior year must qualify as the best and certainly the busiest year we have had at Lick. The third annual Prog performance was easily the most outstanding Prog show we have seen. The successful Operation Christmas Tree was climaxed by the Glee Club's exceptional Christmas program, which included an original cantata by Mrs. Ungaretti and Mr. Rich. The spring semester brought College Boards, Tiger Fair, Senior Slave Day, the school play, Field Day, Senior Sneak, the Senior Prom, and, of course, graduation.

The Class of 1960 has indeed been the "casual" class, a class of real individualists. From our class have come athletes, scholars (seven National Merit Semifinalists), artists, politicians writers, singers, and actors (but not, it must be sadly noted, any members of the band). We have certainly been grateful for the patience and understanding of our class sponsors, Mrs. Ungaretti and Mr. Perse, who have been of great help to us.

Ours has been a very colorful class, as illustrated by John Cavellini's black cigars, Bob Haas' orange pants, Rick Murray's pink Fiat Steve Dobbs' red pencils, Lance Kuykendall's red Ford, "Wally" Reichert's red socks, and "Fritz" Schlichtmann's red hair. Who will ever forget Pete Beckh's receding hairline, Ross Calvert's ivy league T shirts, "Porky" Swearingen's office parties, Dave Holt's twenty inch slide rule, John Fenstermacher's aphorisms, "Hecko" Day's Pepsodent smile, "Cowboy" Wreden's Okey Ropers, or "Happy" Hollander's laugh?

Yes, the days at Lick will be long remembered by the Class of '60, and the Class of '60 will long be remembered at Lick.

Student

Lick-Wilmerding's Student Government is an important and essential part of the school's character; responsibility for student affairs rests almost wholly with the Student Body through its elected officers and representatives.

At the heart of Lick's Student Government is the Student Council, comprised of the Student Body officers and two elected representatives from each class. Class presidents and other non-voting representatives from the major Student Body activities are present at the meetings. With the Council rests the responsibility of administering and financing Student Body activities, planning and discussing rules and schedules affecting students, and providing a general forum for new Student Body ideas.

Lick-Wilmerding's Student Council has been quite active during the past year and has operated under a revision of the Student Body Constitution, ratified late in Spring 1959. Under the new Constitution, the Council

has attempted to improve policies and to institute new ones for the benefit of the Student Body. Among many improvements and changes instituted by the Council this year has been a more economical and efficient system of finances under a new budget system, which included a student charge plan and discounts for rooters' bus tickets through Student Body card subsidies. As a result of these changes, a 20% reduction in the price of Student Body cards was made possible for the spring semester. Lick's Student Court Constitution was completely revised by the Council, and the Court has functioned more efficiently than ever before. In addition, a new policy regarding smoking was initiated during the fall, changing the smoking area to the cafeteria and thereby making available valuable storage space and permitting more effective control over smoking. Lick-Wilmerding's Student Government has had a most successful year and has capably handled student affairs.

The Student Court is the judicial body of Lick-Wilmerding's student government. Any student may be issued a citation to appear before the Court for acts considered detrimental to the school. Here he is given a full and fair opportunity to present his case to his fellow students, who determine whether or not punitive action is necessary.

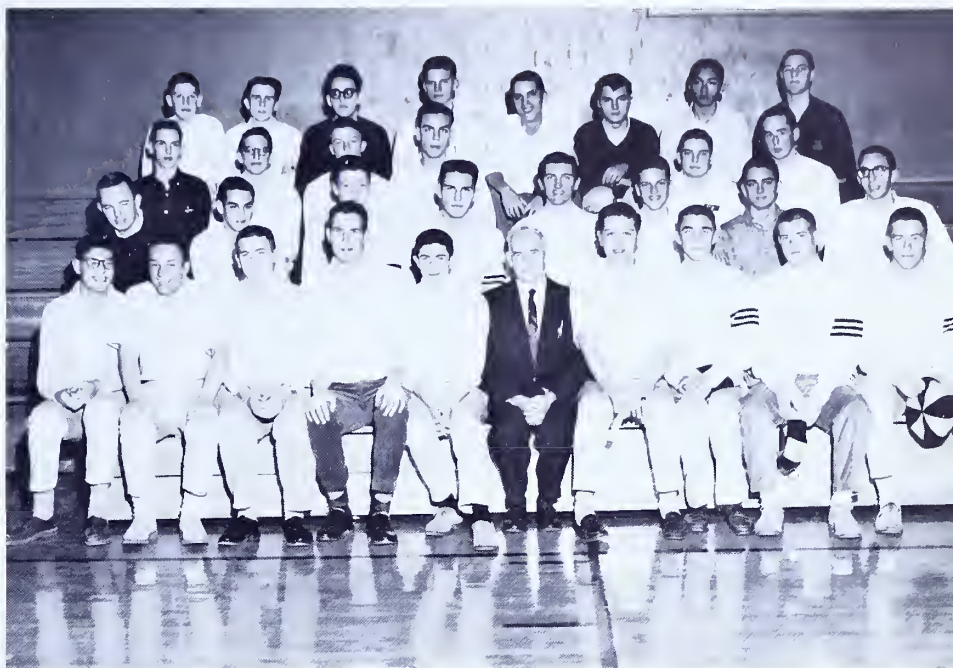

Greatly strengthened by the adoption of a formal constitution during the fall semester, the Court now functions much as does a public law court; it includes in its structure a judge, a court clerk, prosecuting and defending attorney, and a jury composed of two elected representatives from each class.

During the past year the Student Court has become an important and efficient part of our student government and has dealt in a fair, efficient manner with offenders.

The California Scholarship Federation is a statewide association which encourages academic achievement by providing formal recognition for outstanding high school students. The Lick-Wilmerding chapter of the C.S.F., under the able guidance of its faculty sponsor, Mr. Britton, has expanded its membership as an increasing number of our students have become eligible for membership under the C.S.F.'s stringent entrance requirements. The **Tiger** especially wishes to commend the many Seniors who have become Life Members of the C.S.F. by having qualified for four semesters, including one in the senior year.

Tiger Tales is the annual literary magazine published by the students of Lick-Wilmerding. The creative writing which appears in **Tiger Tales** constitutes a representative cross-section of the literary efforts of Lick-Wilmerding students: whimsy and seriousness, satire and eulogy.

The **Cub**, continuing to produce informative and entertaining issues, has had a highly successful year. Under its new banner, the **Cub** has brought the news of sports, student government, and school activities to every member of the student body. Students, faculty and parents have praised the **Cub** for its outstanding coverage of school life.

One of the interesting additions to this year's **Cub** was the Tiger Roars column, which poked fun, sometimes gently, and other times not so gently, at the gossip makers of Lick. The clever line drawings and cartoons accompanying the feature articles also added a great deal to the over-all appearance of the **Cub**. Several other ideas are being considered for future development, including printing the **Cub** on our own press.

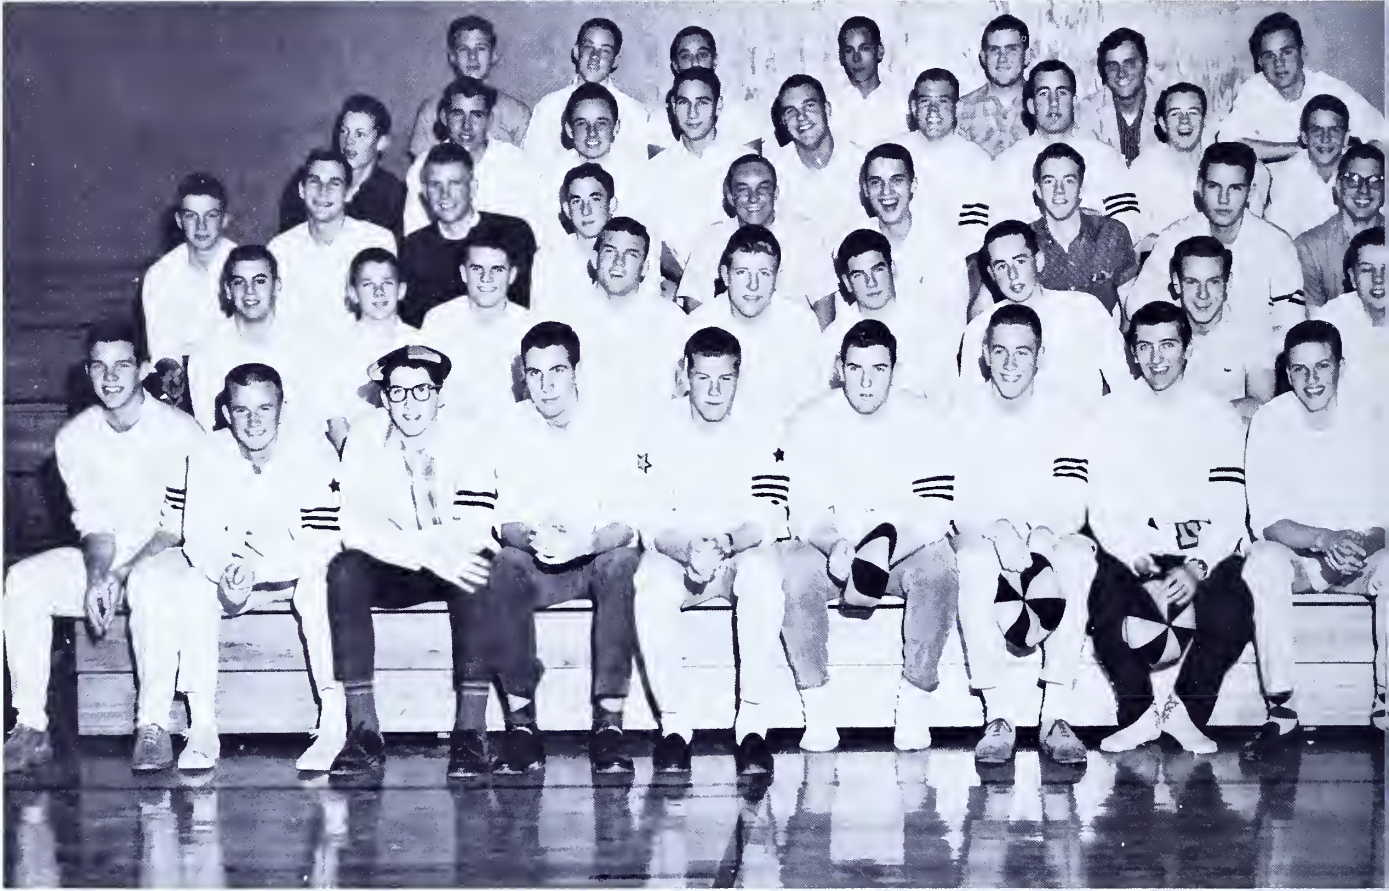

Newsreel

The Lick-Wilmerding Newsreel, formed for the purpose of compiling a pictorial record of life at Lick, has this year introduced a new system of presentation which will involve periodic photographic exhibitions of current student affairs.

The Dance Committee, under the Vice-President of the school, is responsible for decorations, music, food, entertainment and everything else having to do with the renowned Lick dances. This year the Dance Committee, headed by John Shenk and Joe Goldyne, provided the Student Body with some of the most exciting dances and decorations it has ever witnessed. The school dances, partially financed by the sale of Student Body cards, were a real success.

KICK-OFF DANCE: Decorations were monstrous paper football players hanging in effigy from the ceiling and a football uniform suspended from the center of the gym. Music was supplied by Tony Kaye.

EXOTICA: The splendor of an overgrown jungle complete with a refreshing waterfall pumping blue-dyed fluid to an awe-inspiring height of two feet was created in a laborious four hours by the decorations committee. A net replete with balloons and vines covered the ceiling; lights were reasonably low, and the atmosphere which prevailed was considered outstanding by everyone. Bob Smith's band filled the air with music.

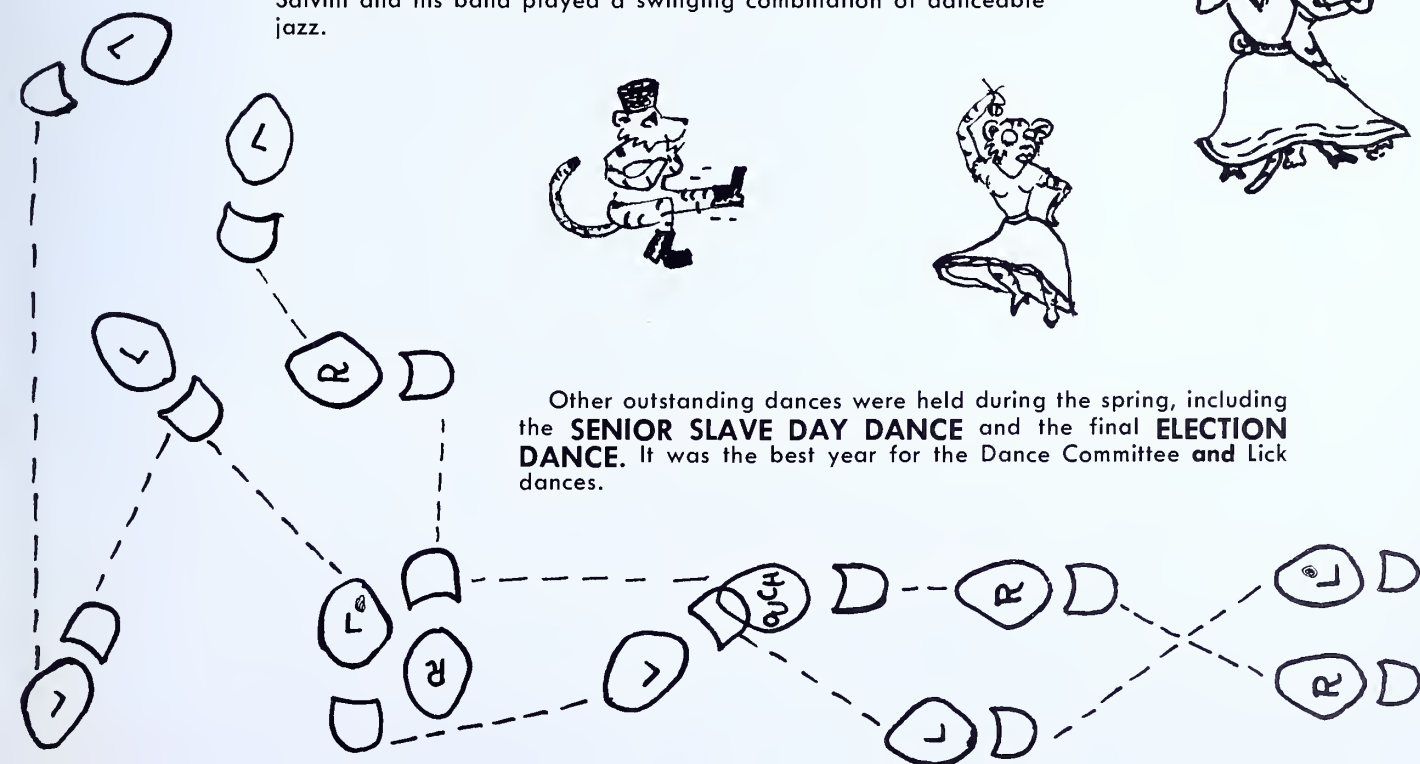

1500 B. C.: Orgy time came to Lick, and the gym—resplendent with fruits (bananas, grapes, apples and citrus varieties), Greek columns and a fountain—became the hall of Bacchus. Tony Kaye provided music, and those who dared wore togas.

The spring semester began with a frigid theme: **OPERATION DEEP FREEZE.** Dry ice and regular ice provided a "cool" centerpiece, and corrugated mountain scenery encircled the gym. Rudy Salvini and his band played a swinging combination of danceable jazz.

Other outstanding dances were held during the spring, including the **SENIOR SLAVE DAY DANCE** and the final **ELECTION DANCE.** It was the best year for the Dance Committee and Lick dances.

In the past year, the Block L-W, ably led by Charlie Dimmler, has taken a prominent role in school functions. The Block Society sponsored several activities this year including a private party in the fall, an initiation at mid-semester, and, in cooperation with the Dance Committee, a spring dance honoring all of the block societies in the Bay Counties League. Other recent projects have included polishing the trophies, keeping order at rallies, presenting skits, and helping the cheerleader at games. The bright rally caps of the Block L-W have been a symbol of service and school spirit throughout the year. Congratulations to our Varsity lettermen.

The J. V. Block Society was organized in January by students who have won blocks in the various Junior Varsity sports. With Mr. Jackson as its faculty advisor, the J. V. Block Society is an officially recognized Student Body activity as it has a Constitution, written by its members, which was approved by the Student Council. The members elected the following officers: Dave Roth, President; George Ogawa, Vice-President; Dick Ward, Secretary-Treasurer; and Stu Shaffer, Sergeant-at-Arms.

The Lick-Wilmerding Script Block Society is an organization composed of students who have earned Script Blocks through their extensive participation in school activities. It is a distinction to have won this award as it is an indication of a student's interest in school affairs and his contribution to the student body.

The Glee Club is one of the school's most notable organizations. With members who range in size from strapping football players to smallest freshmen, the Glee Club includes more than twenty percent of the entire Student Body. It is difficult to describe the rapport and esprit de corps which are so much a part of this popular and highly praised group. Probably the greatest single factor contributing to the outstanding success of the Lick-Wilmerding Glee Club has been its capable and talented director, Mrs. Ungaretti, whose remarkable blend of wit, good humor, patience, and perfectionism has been responsible for the high degree of quality achieved over the past few years. This year the Glee Club's repertoire has ranged from Rich (E.M.) and Ungaretti (D.M.) to Bach (J.S.) and Mozart (J.W.A.), as the Club appeared at the following functions: Family Affair, Operation Christmas Tree, musical rallies, **Hullabaloo**, and graduation.

The Lick-Wilmerding Band, one of the school's newest organizations, has made great progress under Mrs. Ungaretti's direction. The band, which has achieved a high degree of polish and precision, has appeared at many football and basketball games and has boosted student and team spirit immeasurably.

With a wide variety of musical selections—from spirituals to love songs, from barber shop to jazz—the Little Group has proved to be a delightful supplement to the regular Glee Club. This choral group made special appearances at several rallies, as well as participating in the Christmas concert and the school play.

Last December the Lick-Wilmerding Amateur Radio Club was organized with the purpose of providing its members with the opportunity to gain the necessary experience to qualify for an amateur radio license. The club also supplies its members with a basic knowledge of communication electronics. The members, under the direction of their faculty supervisor, Mr. Jackson, assembled the components of a transmitter and a receiver. This valuable equipment was generously donated to the school by Mr. A. L. Papworth, the father of a prospective student who was accidentally drowned the summer before he was to have enrolled at Lick. The official call letters of the Radio Club, which is located in a room above the electric shop, are WA6JSW.

Organized at the beginning of this school year, the Lick-Wilmerding Photography Club has proved to be one of the school's most popular activities. The club's members have photographed many school events and activities and have done a great deal of photographic work for the **Tiger** and the **Cub**. With Mr. Perse as its faculty advisor, the Photography Club has promoted creative photography at Lick by enabling shutterbugs to gather and exchange their ideas and photographic techniques.

Students this year saw a great variety of rallies ranging from business (awards, nominations, and installations) and education (science show) to spirit (football and basketball) and pure entertainment. Responsible for the organization and production of these rallies was the Rally Committee, headed by Joe Pfister in the fall and Charles Dimmler in the spring. This year precedent was shattered as the Student Body Presidents, exhibiting a high degree of non-governmental talent, entertained at their own rallies.

Some of the highlights of this year's rallies were the skits presented by the Rally Committee and Block L-W, the Senior Slave auction, and the spirit-filled basketball rallies. (Thanks to the concerted efforts of the Cheerleader, Council, and Block L-W, the two games with Emery and Menlo were attended by a record breaking number of enthusiastic students.) One of the favorite parts of our rallies was the music, especially the original compositions, of Joe Pfister and Marc and Joe Goldyne. Their humorous songs added a new dimension to contemporary satire at Lick.

Another of the Rally Committee's innovations was entertainment from other high schools. Among the schools represented were Polytechnic, Mission, and Piedmont. The students on the committee have worked hard this year, and they hope that their work will also help next year's Rally Committee.

Replete with flashing lights, oozing colors, coooool jazz, slithering shapes, humorous pantomime and frantic forms, Prog, 1959, was coolsville, and all the hipsters dug it the **most**. The arty cats, under the swingin' supervision of Mr. Breger went way out this year to produce the movin'est Prog ever. Prog was the ravesville at the Northern Regional Conference of the California Association of Independent Schools, which was held at Lick on February 6. The progressive guys at the wingin' University of California thought that Prog was so sharp that they invited the whole swingin' crew of Lick progsters to that crazy Greek Amphitheater for a way out Progformance on February 17. Craaaazy man . . . like wow!

Lick-Wilmerding's 1959 Varsity football team, ably coached by Dick Sarro and Bob Springer, displayed excellent team spirit and competitive drive while compiling a seasonal record of three wins and four defeats. Hampered by inexperience at key positions and by untimely and costly injuries, the Tiger Varsity could not match the successes of the Lick Varsities of the two previous seasons; nevertheless, our team had a commendable season and gave promise of greater success in coming seasons.

In a hard-fought night game Lick opened the season with a 20-0 loss to non-conference St. Helena, one of the finest teams in Northern California. The Tigers ground out a tough 6-0 victory over Half Moon Bay in the first league contest. S.R.M.A. handed Lick its

first conference loss in over a season when the Cadets narrowly decisioned the Tigers 13-12. Recovering from this discouraging setback, Lick breezed to easy victories over Emeryville 27-0 and C.S.D. 34-6. Lick's hopes for a third league championship were shattered by St. Vincent's of Petaluma, who shut out the Tigers 46-0. In the traditional final league game against Menlo, Lick was defeated 38-0. Although obviously outclassed and outmanned by the powerful Acorns, Lick displayed the rugged spirit that had been its seasonal trademark and played an outstanding game.

J.V. Football

BOTTOM ROW: D. Roth, L. Attinger, A. Lea, J. Ross, A. Hanley, B. Stack, J. Belway, L. Ohls, D. Allen, W. Wymore, Manager. MIDDLE ROW: M. Pierce, R. Pain, S. Gratch, J. Heinzer, G. Ogawa, J. Hyder, C. Van Evera, K. Weaver, K. Schonfeld, S. Shaffer, Coach Draco.

The 1959 Lick-Wilmerding Junior Varsity, while failing to win any games, showed remarkable team spirit and praiseworthy determination throughout the season. Although the team was hurt by the lack of size and the relative inexperience of many of the players, it was bolstered in midseason by the addition of several new players, and the J.V.'s play near the end of the season showed a marked improvement over its earlier efforts. Coaches Jackson and Draco did an excellent job of instructing and preparing the team and instilling in the players a strong sense of pride and determination; these factors were quite apparent in the games which the J.V.'s played against Menlo, Emeryville, Riordan, and S.R.M.A. Some of the season's outstanding performers were Bob Fogerty, George Ogawa, Dave Roth, Courtney Van Evera.

Coach Art Free

This year's Varsity basketball team was one of the best in the league. However, our championship hopes were shattered when we lost a crucial game to Emery by 41 to 40. As a result, we had to settle for second place in one of the tightest league competitions in years.

Under the skillful direction of Coach Art Free, the team worked as a well-balanced unit. There were several fine stand-outs. Chip Hunt, the team's high scorer, netted 132 points. Joe Pfister followed close behind with 130. On foul points, Chip Hunt had 30 points, while Joe Pfister was again second with 22. The top three rebounders were Lance Kuykendall, Joe Pfister and Steve Gantner. If the first stringers ever needed help, there was plenty of added talent sitting on the bench. The second string was called the "Bombers" because of their uncanny shooting and expert ball handling. Next in line were the ever-eager "Panic Five." All in all, the entire team played fine basketball, supplying plenty of action and thrills.

J. V. Basketball

FRONT ROW: J. Heinzer, D. Ottey, S. Dobbs, G. Ogawa, R. Ward, G. Purmont.
SECOND ROW: M. Goldyne, W. Curtner, R. Fogerty, J. Gustorf, G. Gould, D. Key.

The Lick-Wilmerding Junior Varsity basketball team posted an eleven win—two loss record for the season, placing it runner-up to the perennial champion, Emeryville. One of the reasons for the J.V.'s success was an aggressive defense. Quick guards harassed the opposition, while the rest of the team tied up the backboards. Three of our players—Dave Ottey, John Gustorf and John Gunn—were selected for All-Conference honors. Our team and Coach Vukicevich should certainly be congratulated on a wonderful season.

C Basketball

FRONT ROW: W. Morgan, R. Southwick, J. Belway, A. Haney, G. De Gregory. SECOND ROW: M. David, S. Leonard, J. Marsh, W. Tobin, W. Farber.

The C basketball team, ably coached by Mr. Doug Rich, has again had a successful season. This year too the team was forced to share the league championship and ended the season with a total of five wins and only one defeat. Bill Farber led the C team's scoring with a total of 44 points.

Varsity Baseball

FRONT ROW: B. Shattuck, Manager; B. Dickinson, D. Nurisso, D. Sederquist, R. Peters, R. Fogerty, P. Hassel, J. Strebel, J. Cowan, R. Stack, Manager. SECOND ROW: Coach Vukicevich, T. Hinkle, D. Schlichtmann, J. Osterloh, G. Gould, J. Gunn, J. Shenk, S. Gantner, F. Young, R. Breslauer, Manager.

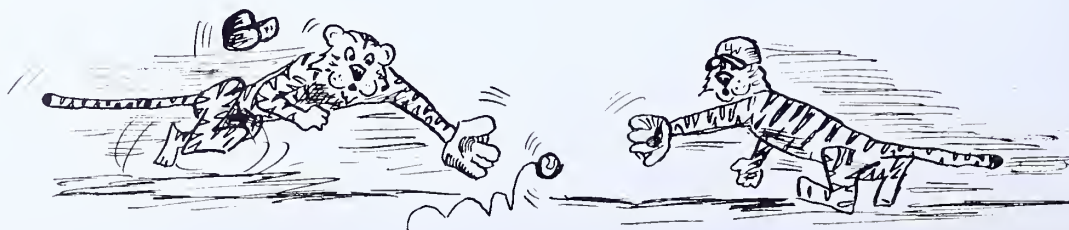

With an exceptionally powerful infield and a hard-working outfield, this year's L.W. horsehiders have a good chance of taking the B.C.L. pennant. Coach Vukicevich has made good use of his team's strong defensive abilities. Certainly the outstanding player has been Rich Peters, our versatile shortstop, who pitched thirteen strikeouts in relief in an early season game with Menlo.

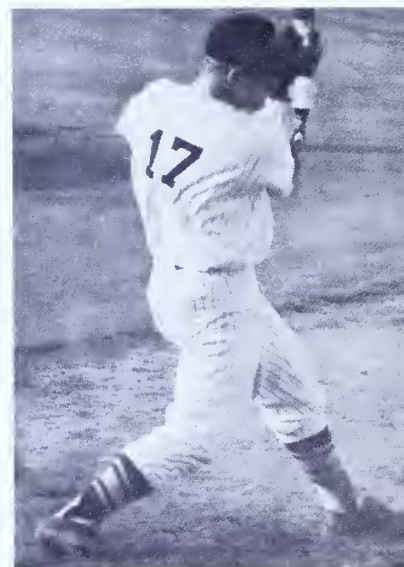

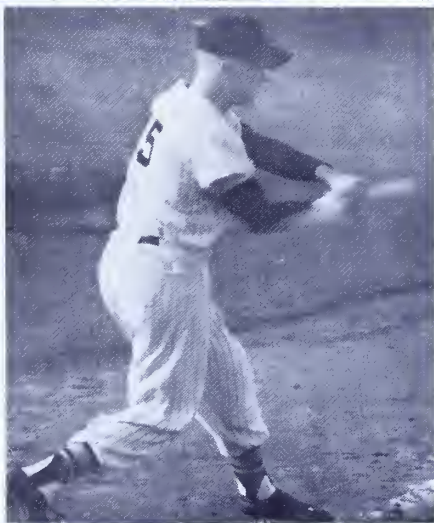

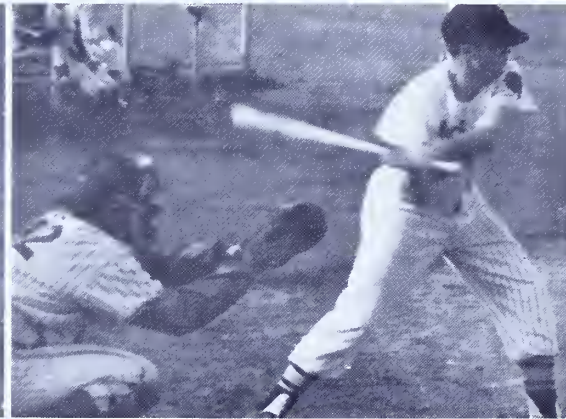

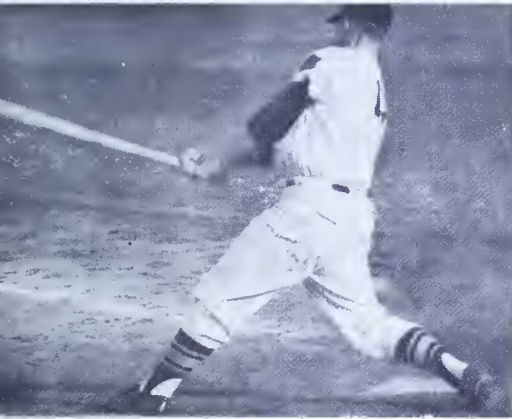

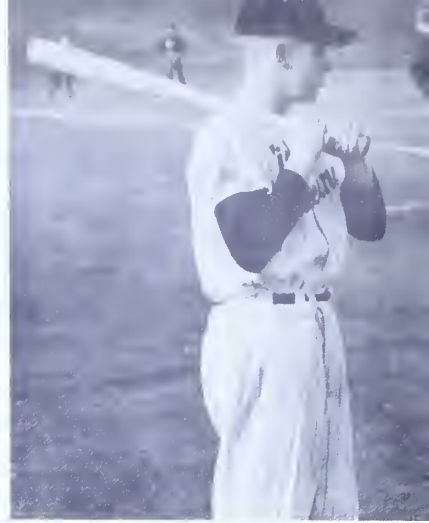

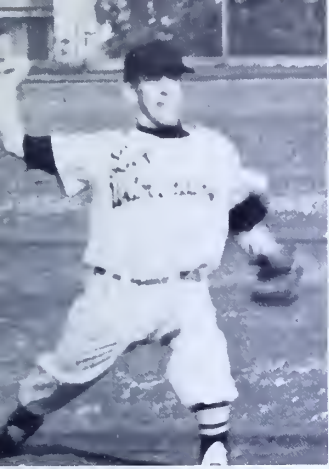

J. V. Baseball

FRONT ROW: D. Gilson, H. Baum, W. Farber, W. Tobin, A. Johnson, R. Southwick, M. Joseph, J. Belway, S. Leonard. SECOND ROW: F. Von Husen, A. Bernhard, D. Brew, D. Horowitz, J. Hoefer, B. Klein, B. Stead, B. Streit, R. Partidge, Coach Doyle.

This year's Junior Varsity baseball team consists mainly of freshmen with a few sophomore and junior veterans. Although the team is somewhat weak in the pitching and batting departments, it has a fast outfield and a strong infield. Coach Doyle says that his team should be able to win games by keeping its opponents from scoring.

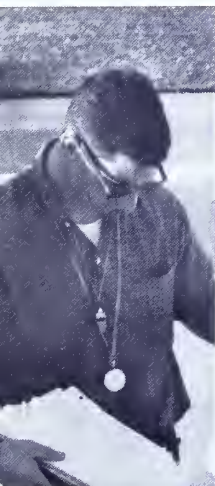

Swimming

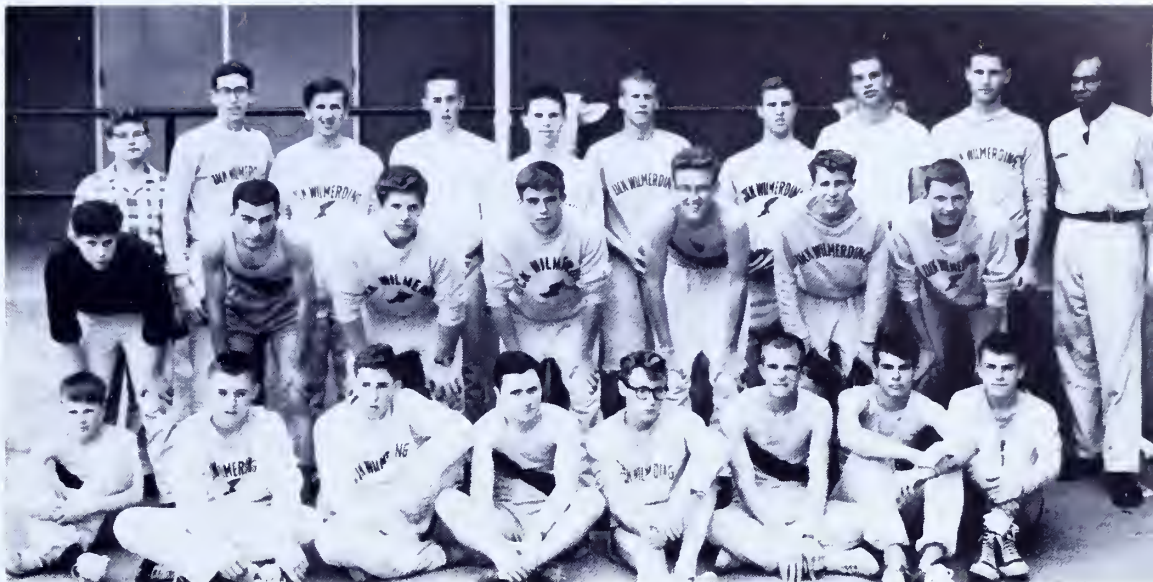

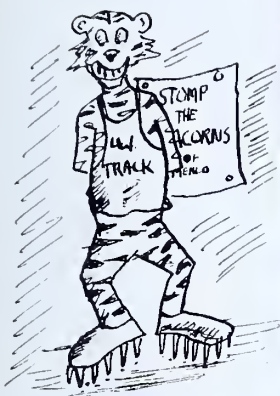

FRONT ROW: D. Natcher, L. Marsh, J. Gibbs, I. Keith, D. Rodoni, E. Reddick, J. Swearingen, J. Levinson, Coach Rosenberg. SECOND ROW: D. Marshall, D. Ward, G. Ogawa, P. Shattuck, R. Pain, A. Lachman. THIRD ROW: J. McCarthy, R. Inman, F. Madden, B. Reichert, D. Plant, P. Mandell, C. Hyder, B. Dean-Turner, R. Tyrer.

The swimming team, under its new coach, Stan Rosenberg, is expecting to have a good season. The Varsity looks strong in the freestyle and butterfly events; the Junior Varsity, with many of last year's championship C team members, has a good chance of winning the conference meet. As well as encountering B.C.L. competition, the swimming team competes with some of the Bay Area's top swimming teams in unofficial practice meets.

Track

FRONT ROW: P. McIlroy, B. Bagge, J. Baren, R. Hollander, J. Jeremias, E. Hill, B. Farber, T. Kipping. SEC-
OND ROW: L. Attinger, Manager; P. Wronsky, W. Chick, R. Dean-Turner, D. Yeazell, J. Ryan, M. Shipley.
THIRD ROW: M. Karengin, R. Haas, R. Wyler, T. Hook, D. Roth, J. Shenk, C. Dimmler, B. Donoghue, M.
Gallis, Coach Jackson.

Featuring the best weight department in the B.C.L. and many promising runners, this year's track team should do very well in the conference meet in May. The team, under Coach Jackson, has shown good potential in the early season meets.

Cross-Country

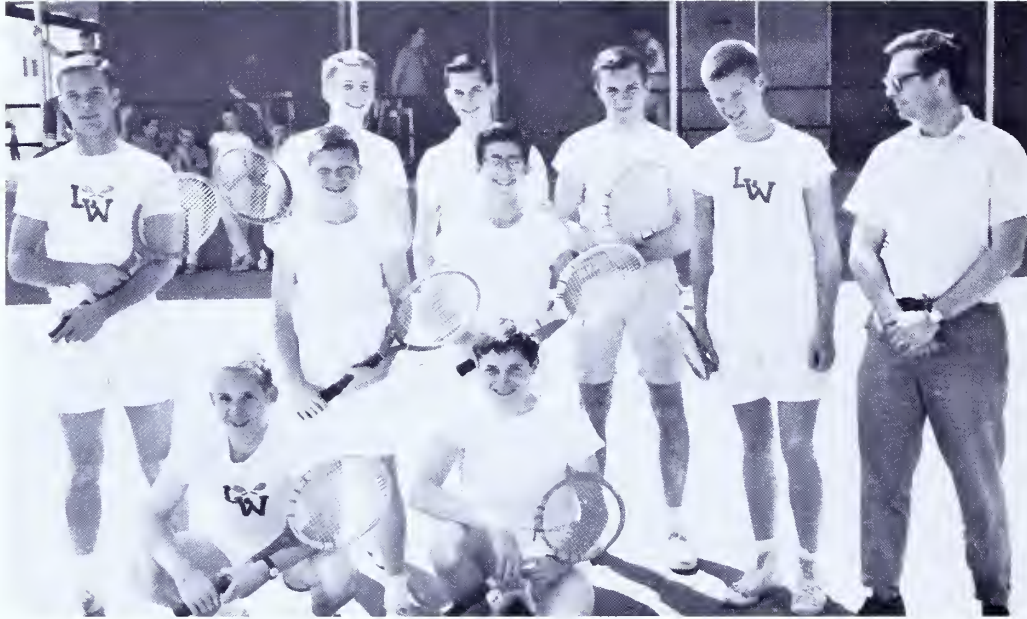

T. Hook, R. Dean-Turner, E. Hill, T. Kipping, P. McIlroy, Coach Jackson.

This year was the first that Lick organized and entered a cross country team in State-wide meets.

We entered three members in the Sacramento meet, and seven of the nine man team ran in the big meet of the season at Stanford. Although we failed to place among the top contenders in either meet, Coach Jackson felt that the team had gained valuable experience for next year's competition.

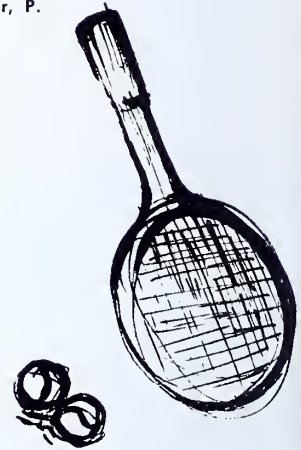

Tennis

FRONT ROW: D. Ottey, J. Allen. SECOND ROW: G. Purmont, B. Rosen. THIRD ROW: J. Shaffer, P. Markwart, B. Schwarz, H. Wallenfels, J. Pfister, Coach Breger.

Sparked by the outstanding play of Joe Pfister, Hugh Wallenfels and John Shaffer, Lick's tennis team looks stronger than ever. Under Coach Breger, the netmen should be able to bring the league tennis championship back to Lick again. The tennis team, one of the strongest of our school's teams, is looking forward to another season of victories in both league and non-league competition.

Mr. Paul Latham Berlin

On Friday, March 11, 1960, Lick-Wilmerding lost a truly dedicated teacher and humanitarian. Mr. Paul Latham Berlin, a sincere and remarkably devoted man, was a friend and inspiration to many individuals. A mathematics teacher for almost forty years—eighteen of them at Lick — Mr. Berlin was a greatly admired and respected person, as well as an incomparable instructor. His superior ability for imparting knowledge, his easy-going manner, his gentle but firm authority, and his droll sense of humor made his classes enjoyable and highly edifying experiences.

Our words alone cannot express the many things that he meant to us, for Mr. Berlin's true value will live in the minds and accomplishments of those who were fortunate to have known him.

Final Word

The student at Lick-Wilmerding is given a priceless educational experience. He is exposed to an abundance of subject matter presented by a truly devoted, stimulating and knowledgeable faculty. In an atmosphere which brings out the best in both students and teachers, the Lick student benefits from keen competition and close association with a warm and understanding faculty.

However, the education which a student receives at Lick is not confined to the limits imposed by the academic curriculum. Through his participation in the many varied extracurricular activities, the Lick student can develop personal responsibility, initiative, confidence and leadership.

Included in this yearbook is a pictorial and written synopsis of some of the numerous activities one finds at Lick. This annual is but one of the many student activities; without the help of many individuals and organizations its creation would have been impossible. I extend my sincere gratitude to the following whose help and guidance have contributed significantly to the production of the **Tiger**:

DON BOSCO for the class and activity pictures and for his continued advice and aid;

JOE GOLDYNE for the division page illustrations and **TIM HINKLE** for the cover;

MRS. TETERIN for her untiring and patient help as yearbook advisor;

my Assistant Editors — **TIM HINKLE** for his layout work and drawings, **PAUL KLABUNDE** for his photographic and layout assistance, **JOHN MCCARTHY** for his writing contributions and **JOHN ROSS** for his typing;

and, finally, to my **STAFF** — the most hard-working and dependable staff any Editor could desire.
